Career Objective

Passionate IT professional with a strong background in computer networking and a proven history of success in the technical industry. Skilled in technical support, network troubleshooting, time management, and teamwork. Recently graduated with a Bachelor of IT (Network Security) and seeking a junior IT position or graduate program to apply and expand my knowledge in the field.

Work Experience

IT Technical Support

POSWAY PTY LTD | North Strathfield, NSW | Dec. 2020 – Nov. 2022

- Provided primary IT support for hospitality, retail store networks, and office staff.
- Addressed various hardware and software issues, including device troubleshooting, system updates, and network connectivity, both on-site and remotely using TeamViewer.
- Installed, configured, and maintained POS systems, incorporating hardware, switches, and network printers.
- Troubleshot user networking and account issues (Active Directory) for office staff.
- Supported peripheral devices and add-ons, such as ANZ, Westpac Presto, and EFTPOS.
- Escalated complex issues to IT manager, team members, suppliers, and vendors as needed.
- Created internal IT documentation, including POS setup and installation checklists.
- Tested new and custom applications prior to release.

Sales Associate

Watch Station (Fossil Group, Inc.) | Homebush, NSW | Oct. 2019 – Dec. 2020

- Delivered excellent customer service through floor sales and assisted customers with purchases.
- Achieved individual and team sales targets.
- Performed daily department tasks, including stocking, creating merchandise displays, pricing markdowns, transferring merchandise, inventory control, and processing transactions.
- Worked closely with the team to support day-to-day operations of the boutique.
